The consultation on the charges for removal and emptying of green bins was discussed. Parish Council are not in favour of WLDC bringing any charges in for this service.

The Parish Council would like WLDC to note that the meeting held in Keelby was not publicised through out the village and a lot of residents were not able to attend. The survey did not give the option to record a vote for no charge to be made. The Parish Council propose that Keelby residents are exempt from the new charge until provision is made for a tip nearer than Market Rasen, which currently involves a 34 mile round trip.
