15. Keelby United Football Club Proposal Ref 21/048

Cllr Wright submitted a proposal to the Parish Council in his role as team manager of the football club. Requesting permission to extend the ground and improve facilities so they can move up in the league. Currently at Level 7/6, want to get to level 5/4, which Grimsby Borough and Cleethorpes Town play in.

Phase 1: barriers around the pitch to prevent people watching without entry. This will take the form of a 12ft fence.

Phase 2: Flood lights and barriers with seating inside the fencing.

Phase 3: Changing facilities and toilets needed pitch side for level 5.

Cllr Everitt concerned it will take funds away from the rest of the KSA members. Charges on the gate to this pitch would fund development for the pitch.

Cllr Wright has spoken to George Wise at Brocklesby Estates and states he has been told planning permission is not required.

Cllr Knight expressed concerns over the Charitable status of KSA with a business operating on the facility and also the impact this development will have on the other clubs at the pavilion. Clarification is required before a decision can be made. Cllr knight proposed written confirmation is received from Cllr Bierley.

Cllr Ash asked if Cllr Wright was happy for the vote to be postponed until clarification is received.
